

We are honored to invite you to participate in the fifth annual Beverly J. Sutton Golf Classic, benefiting the Beverly Jewell Sutton Psychiatry Education Endowment and Psychiatric Residency Program* at Seton Shoal Creek Hospital.

The tournament will be held on Sunday, May 22, at the Live Oak Golf Course at the Lakeway Golf Club (for more course information, see back panel). Tee time is 1:30 pm. The style of play will be a 4-person scramble.

Each player will receive:

- 18 holes of golf with cart
- Range balls
- Box lunch
- Golfer's goody bag
- Free soft drinks during the day
- Dinner and awards reception

As you enjoy your round of golf you will have the chance to meet our resident physicians in the UT Southwestern Austin Psychiatry Residency Programs. Afterward, you can relax with a buffet dinner and awards reception.

Come play, have fun and benefit two critical needs for our community!

Sign up soon to reserve your place.

5th Annual BEVERLY J. SUTTON GOLF CLASSIC

A fundraiser benefiting the Beverly Jewell Sutton Psychiatry Education Endowment and Psychiatric Residency Program* at Seton Shoal Creek Hospital

May 22, 2011
Tee Time 1:30 p.m.

Presented by The Seton Fund and
UT Southwestern Austin Psychiatry Programs

The Beverly Jewell Sutton Psychiatry Education Endowment

The Beverly Jewell Sutton Endowment was established in 2004 to recognize Dr. Sutton's significant and distinguished career in psychiatry and psychiatric education. She has trained countless physicians in adult, child and adolescent psychiatry and wants a growing, permanent source of funding for future generations.

The demand for mental health care in Central Texas and throughout the country is growing dramatically, but it is estimated that only 20 percent of children and adolescents in need of treatment receive it. The pain of these mental health issues persists into adulthood and can wreak havoc on lives. More and better-trained mental health professionals are needed to meet the increasing burden of care.

The Sutton Endowment strengthens the medical residency program in psychiatry by providing funds for training equipment, awards for extra effort in research, travel for medical residents to state and national meetings, recognition for academic and clinical exemplary function, and other incentives that help pave the road to excellence.

Join us in responding to these critical community needs.
